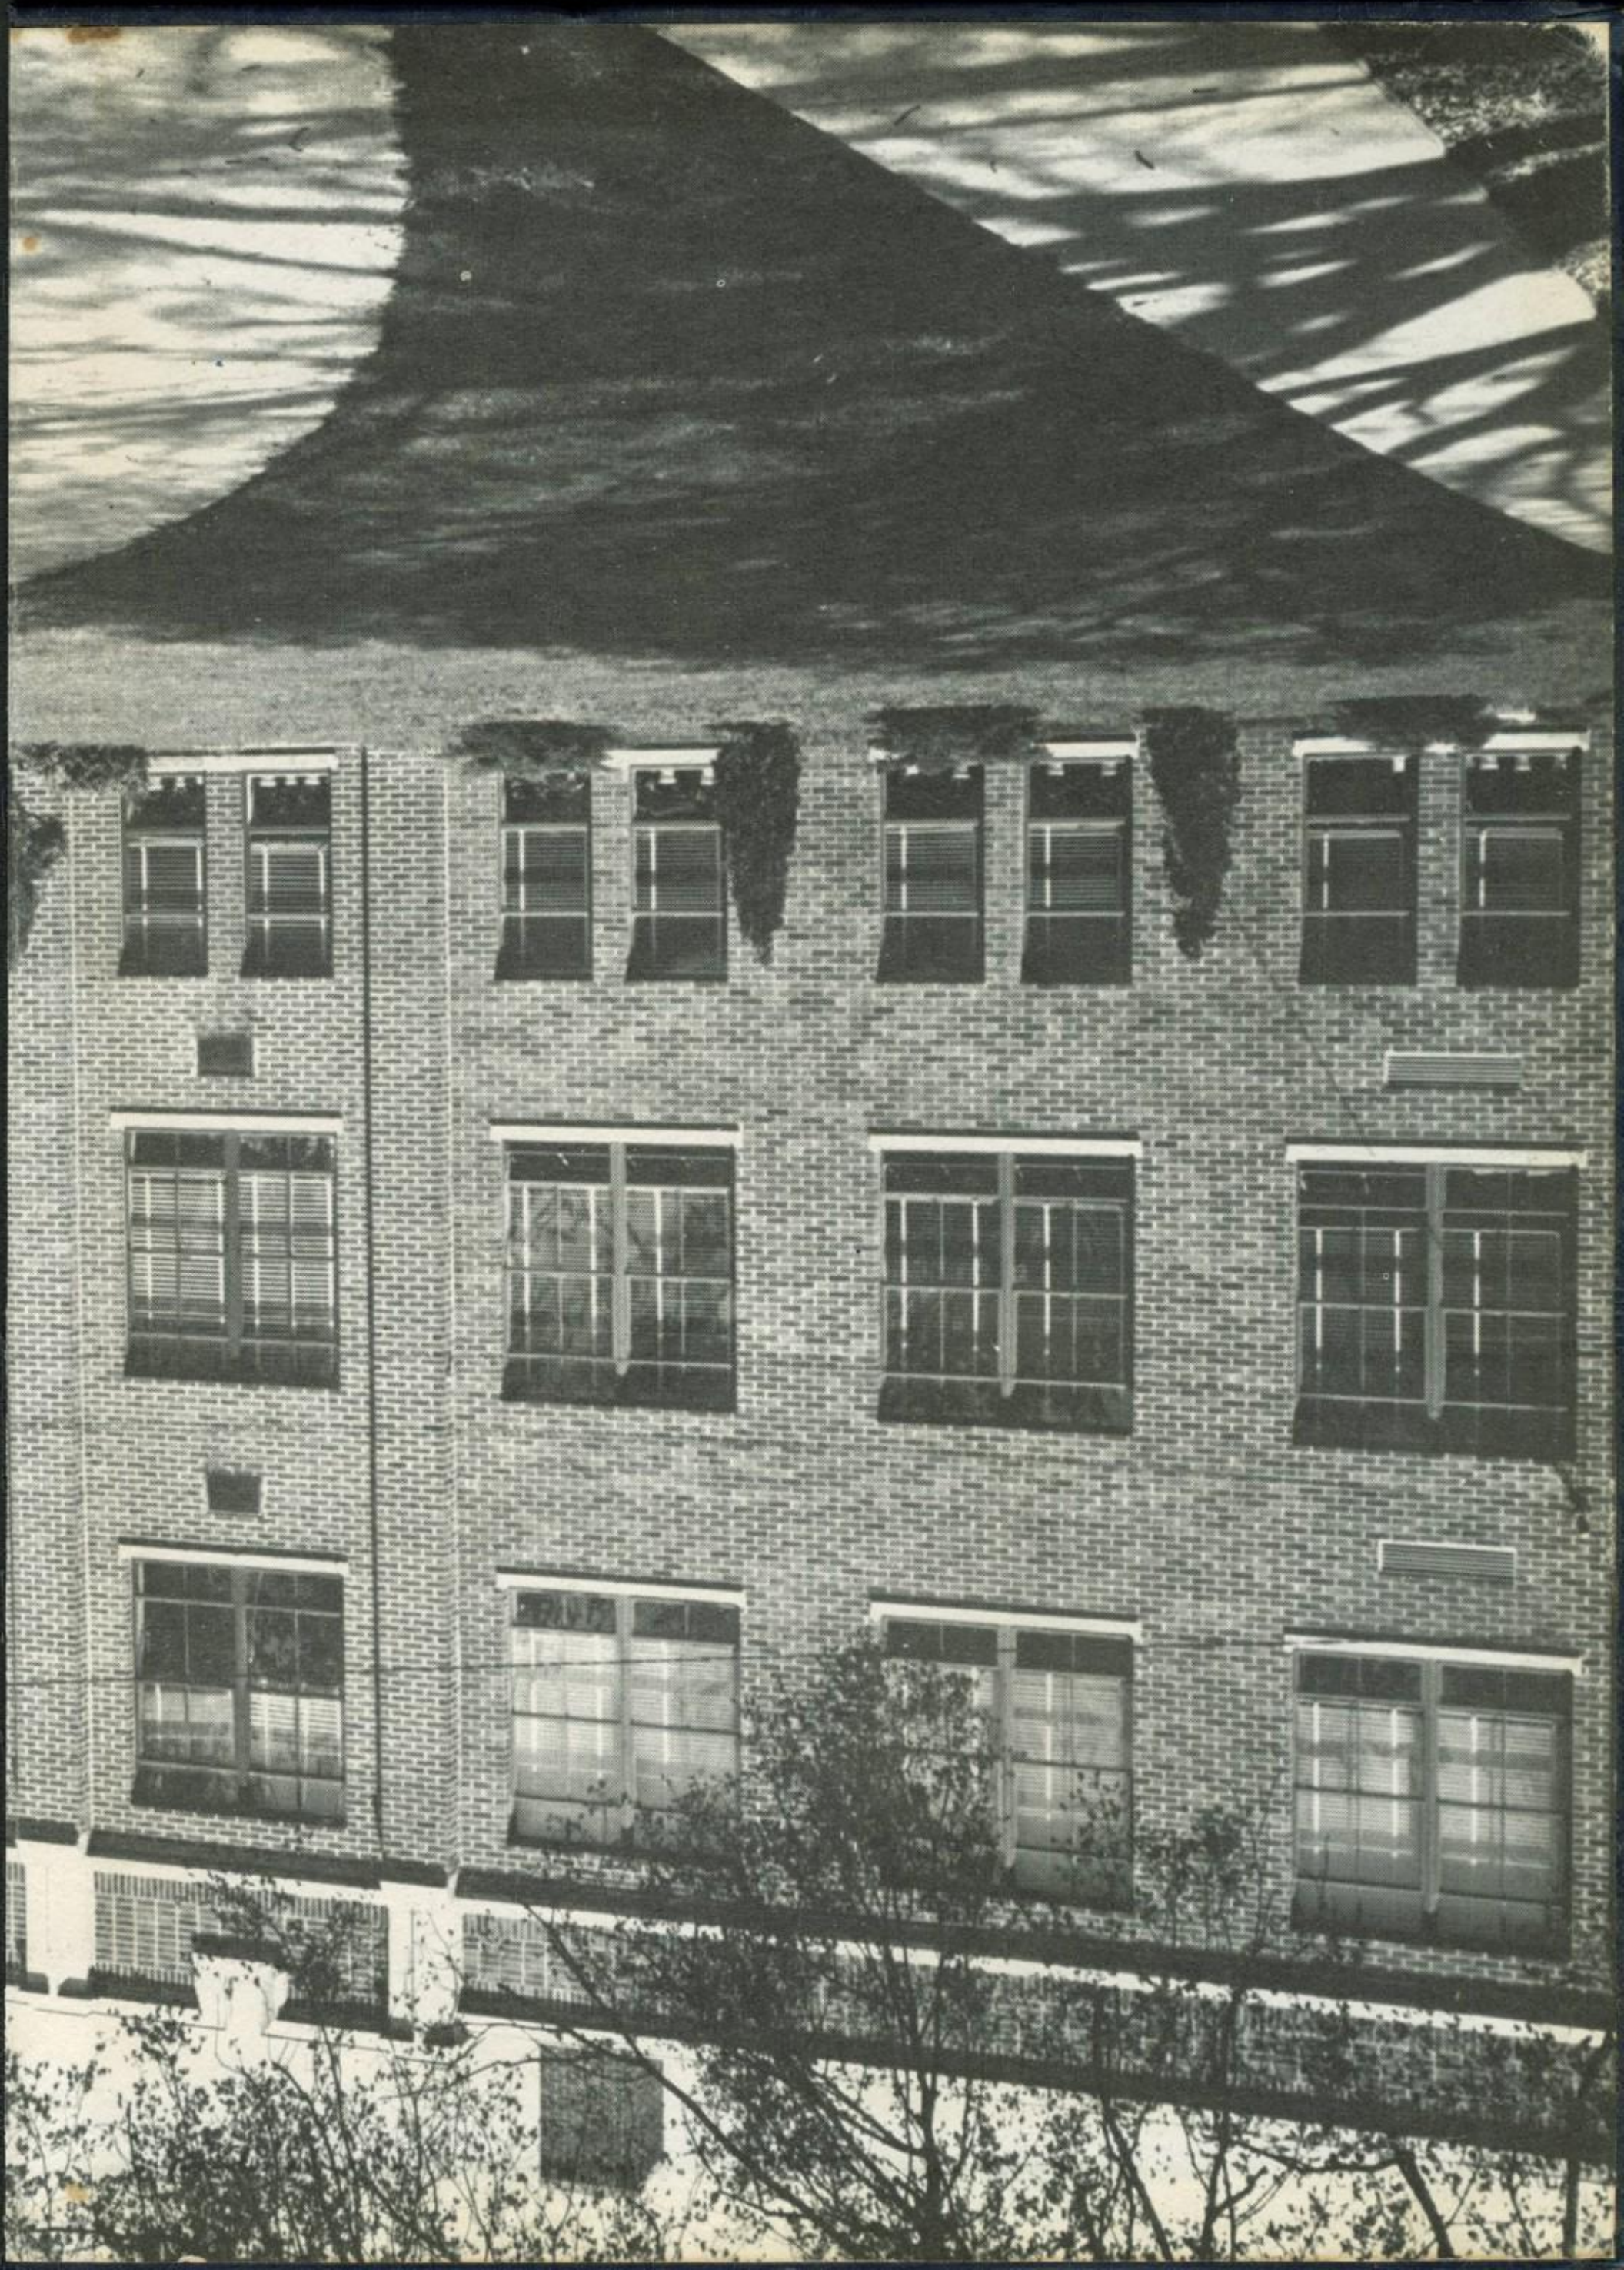
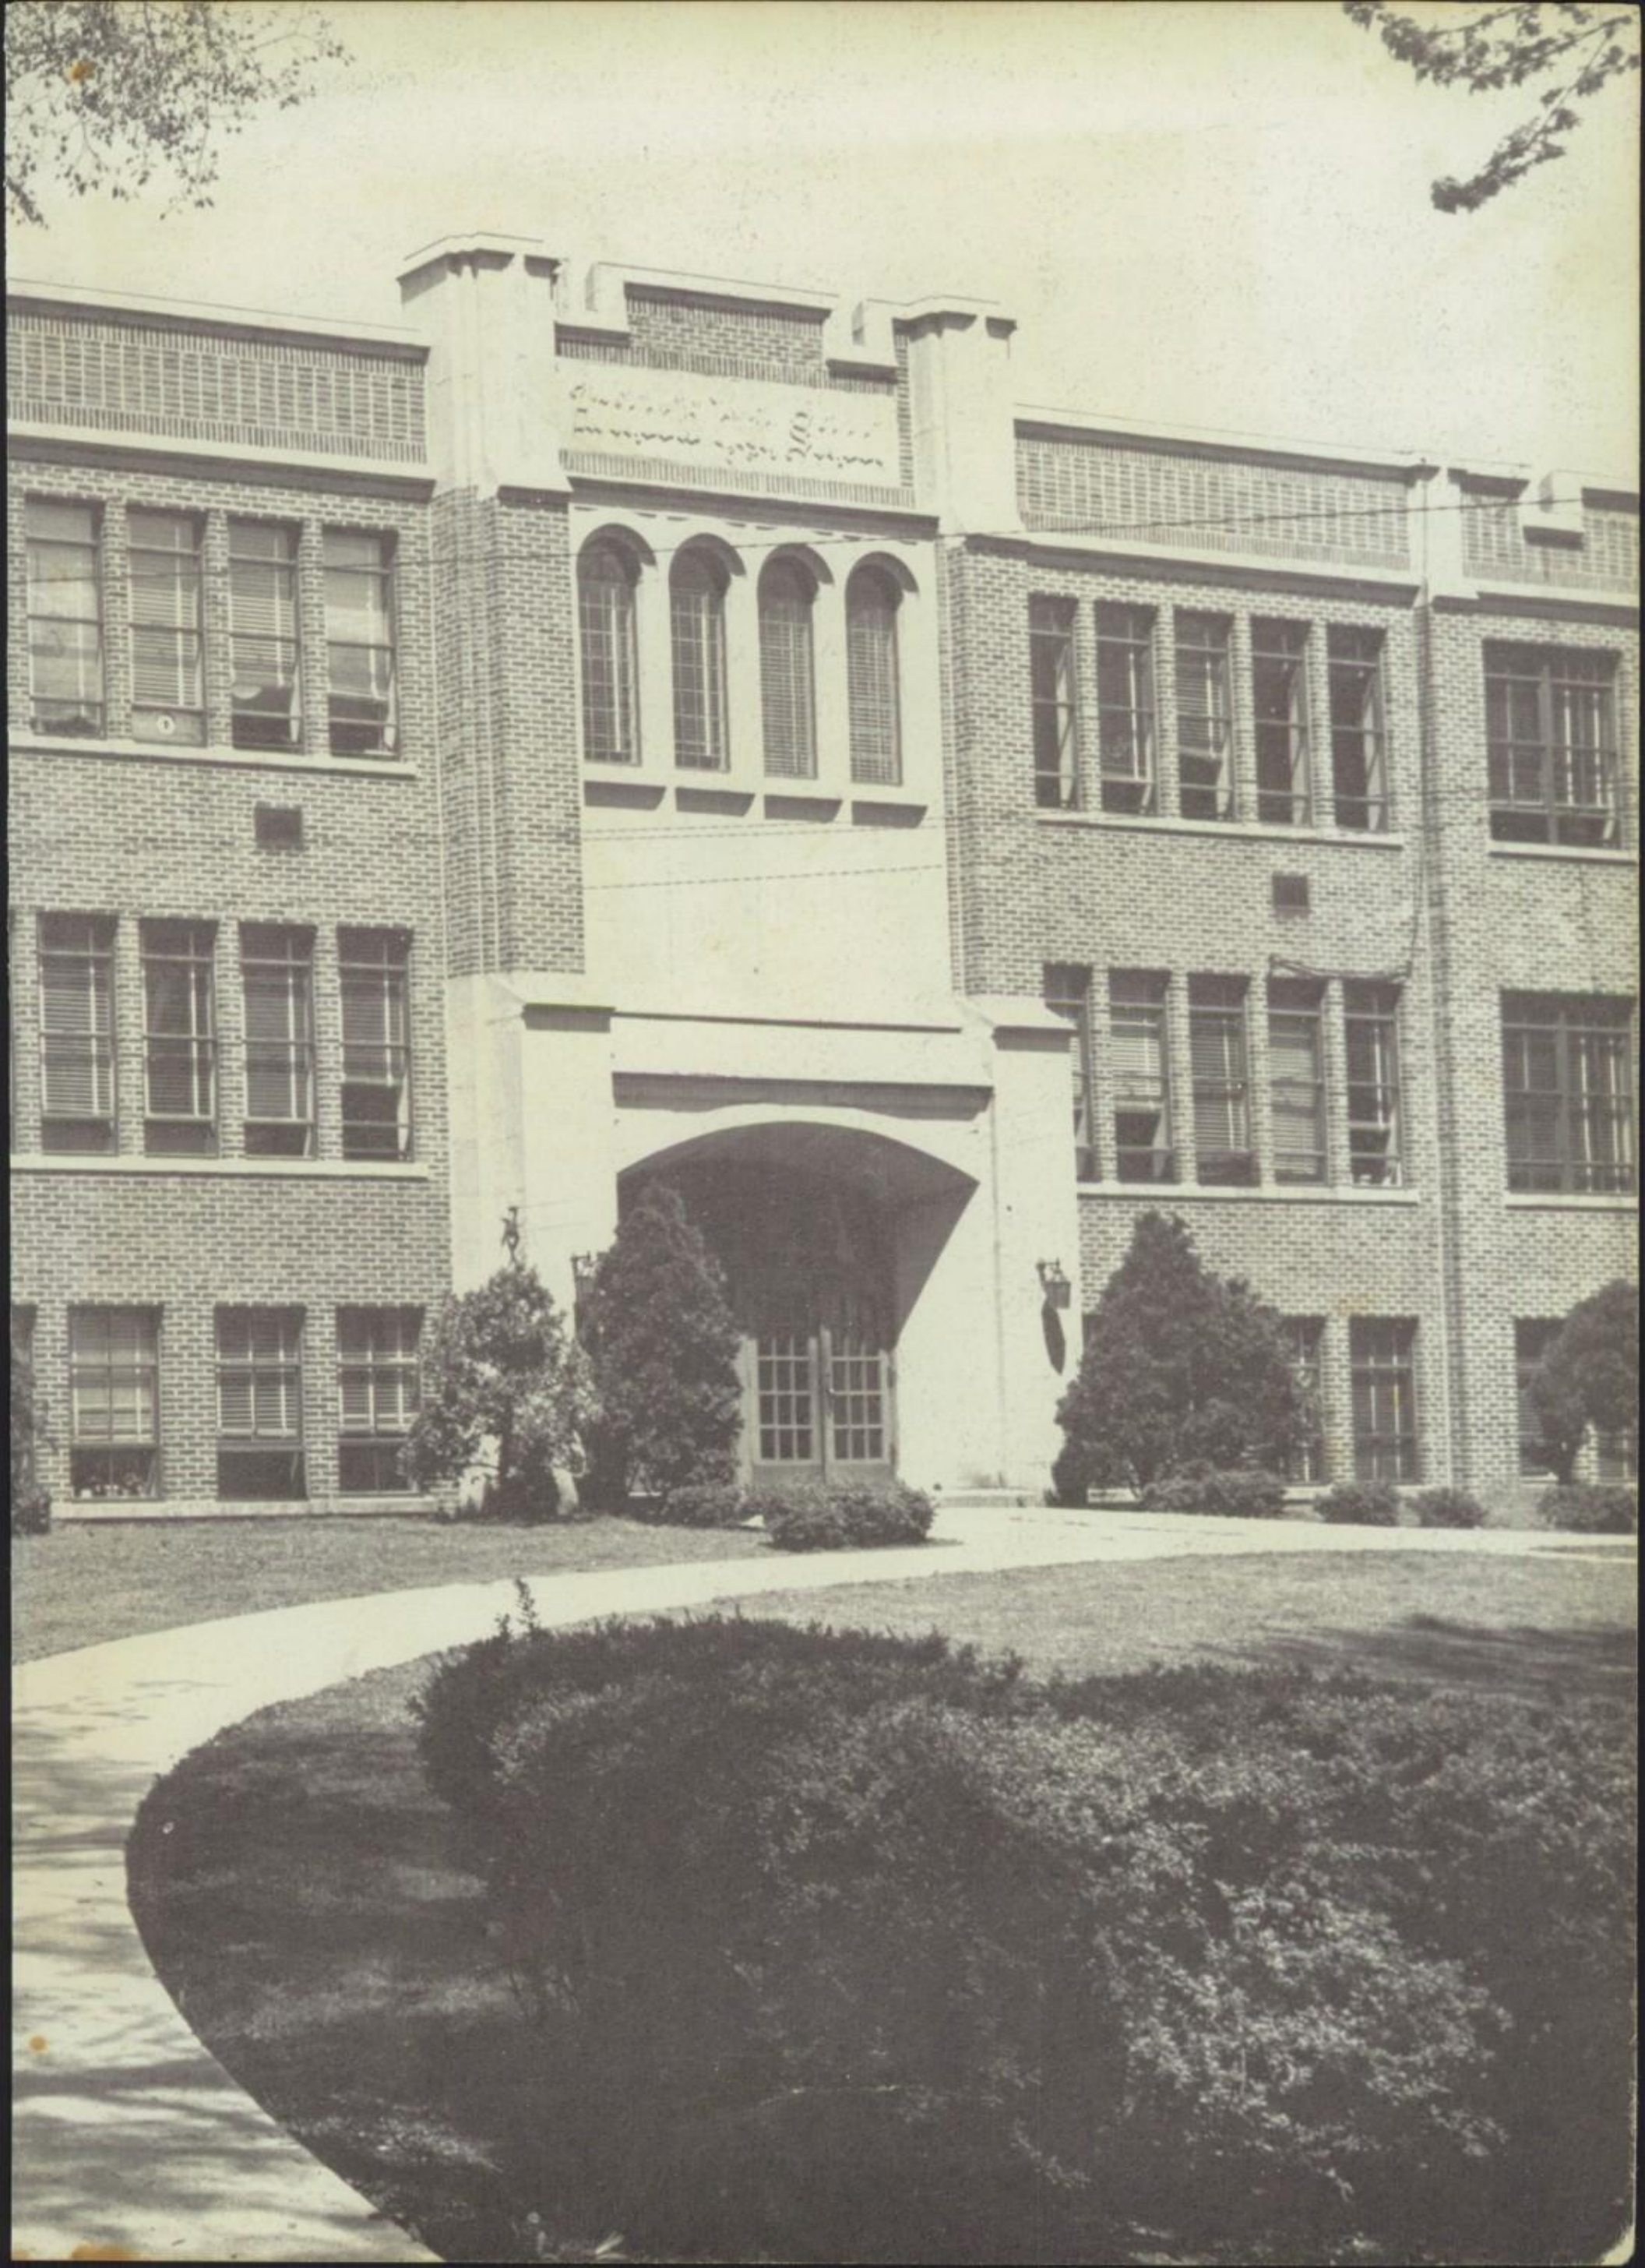
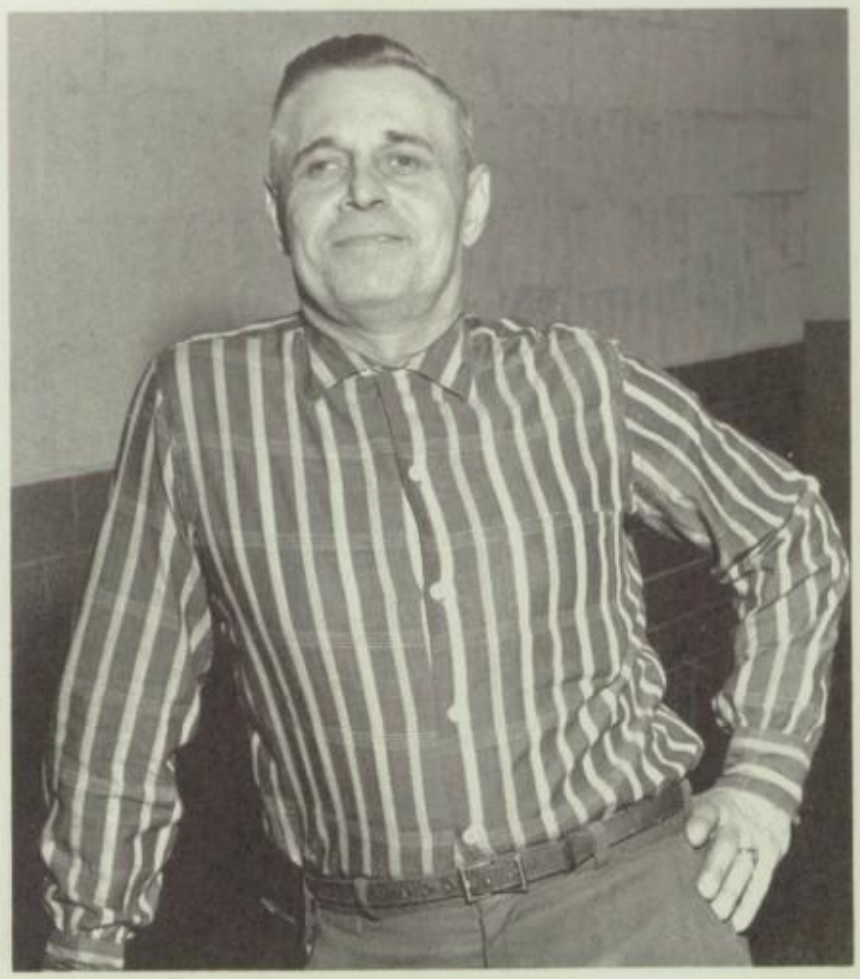
BLUE STREAK





DEDICATION

ARTHUR TAYLOR



EARL BOURQUIN

The Senior Class of 1958 takes great pride in dedicating the 1958 edition of the Blue Streak to its two faithful custodians, Earl Bourquin and Arthur Taylor. These two men have given long and faithful service in keeping our school rooms clean and warm and comfortable at all times. Perhaps they haven't been able to satisfy everybody quite all of the time, but for the most part they have done their work well and have provided the best possible environment in which the pupils of our schools have been able to work to their fullest ability. Their efforts are greatly appreciated by all of us.

Unusual achievements in science have come to be a regular part of the activities pursued at Archbold High School. 1957-1958 proved to be another banner year for the Science Departments and for the Quadri-County Science Fair. As in past years the presence of Archbold projects at the Bowling Green District Fair and the State Academy of Science Day, were very much in evidence. A goodly number of Superior and Excellent ratings were added to a very impressive list from other years.

The Eighth Annual Quadri-County Science Fair was an outstanding event. More schools participated, more projects were entered and the general quality of work continued to show improvement over past years.

Kriss Stutzman, along with Bernadine Beck and Bud Stuckey in a dual project were judged to be the grand champions of the 1958 event.

Their projects were exhibited in the National Science Fair held at Flint, Michigan. These Archbold students, accompanied by Mr. Clark, their instructor and director of the local fair, spent a very enjoyable four days at the fair. Since the fair was near home this year quite a number of folks from this area journeyed to Flint to enjoy the event.

Kriss Stutzman continued his outstanding work in science and achieved Honorable Mention in the Westinghouse Talent Search Contest.

John Rich served as president of the Science Club. He and his Staff did another outstanding job in planning and presenting the eighth science fair.

In this year of Sputnik and all the ado about space travel and its resultant criticism of American Education, it is interesting to recall that it is nine years ago since Archbold High School started an accelerated science and mathematics program, long before the world knew about Sputnik.

There is no reason to feel that the high plane of achievement in Science will not continue in Archbold High School for many years in the future.

Scholarship Awards

Good scholarship is considered one of the most important goals of our educational system. Considerable emphasis is placed upon a testing program which includes the Every Pupil Tests, Senior Scholarship Tests, Preliminary District State Tests, Eighth Grade Tests, and Final District State Scholarship Tests. Several Science students annually participate in the Westinghouse Talent Search and other science and related tests.

Archbold students have excelled in scholarship even as they have in science, music, athletics, dramatics, and all other departments of the school.

The Archbold High School Band enjoyed a fine year of many successful endeavors. The Marching Band did an excellent job during the football season. They also made the usual number of Community appearances during the year, always being available when their services were needed.

For the sixth consecutive year they won a Superior rating in State Competition. They were perhaps the youngest band ever to achieve this honor. There were only four seniors listed on the roster, along with a very large number of Junior High and Elementary members.

George Borich again directed the band and did an excellent job in continuing the high type of achievement which has become a part of local band tradition.

The Blue Streaks enjoyed another one of their traditionally fine basketball years. They won 18 games and lost 5. They won the county tournament in easy fashion and advanced to the District finals where they lost to the Ridgeville Falcons in a close, hard-fought battle by a score of 57 to 55. They twice conquered the Wauseon Indians, and beat Deshler, rated second in the state, by a 18-54 score. Their 5 losses came by a total of 20 points.

Bob Bridges, Victor Miller, Gary Myersand, Bob Fraas carried the scoring burden in most of the games. Mike Sullivan had numerous good games also. Bridges averaged just under 20 points per game.

A good reserve team, a Freshman team with a 14-3 record, and a Junior High team with a 9-3 record indicate good material for the future. Mike Sullivan, Bob Fraas and Denny Miller will be the nucleus for next year's team.

Bob Bridges, Victor Miller, Gerald Myers, John Rich, Leland Wyse, John Rupp and Donald Frey are the graduating seniors.

Bob Bridges led the team in scoring and had the best foul shooting percentage.

The Blue Streaks compiled a record of three wins and five losses in their 1957 season. They played a very tough schedule of experienced football teams. In most of the games the Streaks made a very creditable showing. The Wauseon Indians were held scoreless until the final minutes of the game and Liberty Center came from behind in the second half for their win.

Coach Michael Walker experienced his first season as a varsity coach, assisted by Thomas Vitello. Ben Londeree coached the Junior High team.

The Streak reserves enjoyed a good season as did the junior high boys, so prospects look fairly good for the future.

The following seniors were lost by graduation: Bill DeGroff, Gary Myers, Rex Ziegler, Bob Grisier, Don Clair, Bob Miller, Herbert Ruffer and David Holsopple.

Bill DeGroff was chosen the most valuable player.

Baseball

BACK ROW: Mr. Arthur, Bob Bridges, Mike Sullivan, Tom Gallaway, Gerald Myers, Rex Ziegler, Bob Fraas. FRONT ROW: John Jiminez, Rex Hornish, Larry Rupp, Max Smith, Denny Miller, Terry Murbach, Kenny Nafziger, Gene Bridges.

The Blue Streaks enjoyed another fine baseball season. They won ten games and lost only three. They won the Fulton County championship and reached the Sectional finals before bowing out of competition. Bob Bridges did most of the pitching and continued his fine work of the past two seasons. The team was made up mostly of Sophomores. Their hitting was not too strong and their fielding was weak at times, otherwise this team could have gone a long ways.

Gary Myers at first base and Rex Ziegler, pitcher, along with Bob Bridges were the only seniors on the squad, so a very good nucleus remains for next years team. Mike Sullivan will be back to do the catching, along with Terry Murbach. Bob Fraas shows promise as a pitcher, along with two Freshmen, Gene Bridges and Roger Hall.

BACK ROW: Mr. Londeree, Bob Frass, Jim Fiser, Stanley Ruffer, Lee Wyse, Herb Ruffer, John Rupp, Gerald Meyers, Bob Grisier, John Rich, Mike Sullivan. FRONT ROW: Larry Barger, Dean Beck, Everett Santos, Roger Meier, Larry Rupp, Bill DeGroff, Tom Grieser, Gene Roth, John Jimenez, Merle Beck.

The 1958 Track team enjoyed a very successful season. They lived up to the promise they showed as Freshmen. Had the team been stronger in the field events they would have been much better, for they really excelled in the track events. John Jimenez, and Bill DeGroff were very good in the distance runs. John placed fifth in the District in the mile run. James Fiser did very well in the 440 and the high jump. Merle Beck tied for second in the District high jump. Archbold's mile relay team tied for fourth place in the District. Other outstanding performers for the Streaks were Everardo Santos, Dean Beck, John Rich, Bob Fraas, Bob Grisier, Mike Sullivan, Herb Ruffer and John Rupp. Most of the big point winners will be back next year, so the Streaks should enjoy another fine season on the cinder paths next year.

The Streaks placed second in the Fulton County Meet behind a strong Delta team, which later tied with Blue Creek for the District title.

Golf

Terry Murbach, Larry Barger, David Neal, Jack Short, Steward Wyse, Tom Galla-way, Rex Hornish.

The 1958 golf squad was composed almost entirely of Sophomores. They all showed considerable improvement over their Freshman year. They won only one match in six attempts against some rather rugged competition. They also participated in the District meet at Valleywood-Swanton and the Montpelier Invitational.

Golf is a game unlike most other sports. The boys enjoy playing and it is more fun to win than lose, but it doesn't seem to be such an important factor as it is in most other sports. It is a game of individual effort and desire and the only limitation seems to be the amount of time and effort that can be devoted to improve one's game.

One of the high lights of the season was a match with a faculty team, which was won by the . . . by a score of . . . to . . .

The boys are all looking forward to the next two years when they expect to be on the winning side more frequently.

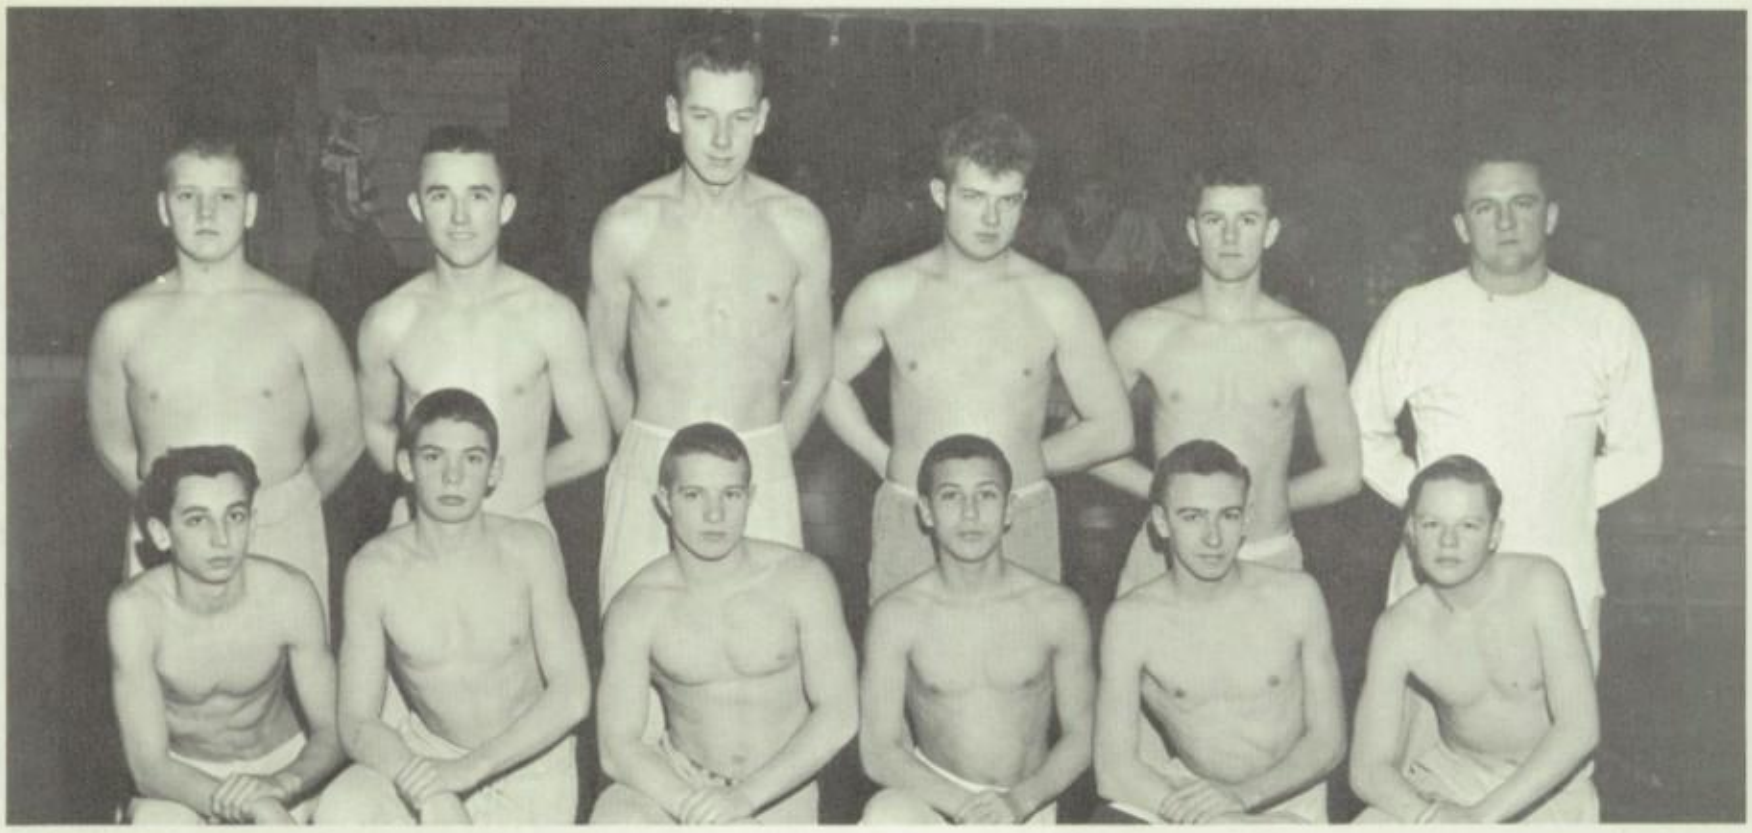
Wrestling



BACK ROW: Terry Murbach, Alfred Dohm, Herbert Ruffer, David Neal, Pete Short, Coach Walker.
FRONT ROW: Roger Roth, Gene Roth, Bill DeGroff, John Jimenez, Byron Wyse, Tom Yoder.

Wrestling, a brand new sport, so far as the high school was concerned, made its appearance on the sports calendar this year. Coach Michael Walker was interested in the sport and succeeded in interesting about a dozen boys who made up Archbold's first wrestling squad.

The squad listed only two seniors, Bill DeGroff and Herbert Ruffer. Others who saw action were Tom Yoder, Roger Roth, Gene Roth, Byron Wyse, Pete Short, Alfred Dohm, David Neal, Terry Murbach, David Miller and John Jimenez.

The team engaged in four matches. They won twice from Montpelier, 27 to 14, and 19 to 16. They downed Napoleon in a close match 25 to 20. They lost to Maumee Valley Country Day 25 to 22 in an extended match. The Streaks were ahead 22 to 20 at the regulation finish.

The team will go into a big time schedule next year when they engage some of the top teams in this area in 12 matches staged on a home and home basis.

Rychener Award

Dr. Ralph O. Rychener

Dr. Ralph O. Rychener, an Alumnus of Archbold High School, and now a successful surgeon in Memphis, Tennessee, who has long been noted for his very generous moral and financial support of all athletic and other activities in our school, in 1946 established an Athletic Award of one hundred dollars cash to be awarded to a selected Senior boy. This scholarship was named in honor of Dr. Rychener's parents, Mr. and Mrs. N. J. Rychener, local residents, who always displayed a keen interest in Archbold school affairs.

The award is made on the following basis. Thirty per cent, Athletic Ability; thirty per cent, Scholarship; twenty per cent, Neatness and Personal Appearance; twenty per cent, General School Attitude. In 1952 a revision was made in the award making the cash payment only if the winner goes on to college. If he does not continue his education beyond high school he will receive an emblem instead of the cash award. Another new provision states that he must have an average of "B" or better in all of his English courses. If the one selected for the award does not use it by going on to college it will be held in escrow for the next year. The winner of the award is selected by the members of the high school Athletic Staff.

Former Rychener Award Winners were: Aden Storrer, 1946; Gerald Lehman, 1947; Paul Sigg, 1948; Arthur Kleck, 1949; John Clair, 1950; Dale Leu, 1951; Ralph Burkholder, 1952; Paul Yoder, 1953; Andrew Murbach, 1954; Robert Kleck, 1955; Wilmer Dean Rupp, 1956 and William Palmer, 1957.
